ing Korean cities, taking in the culture and sights, all whilst making memories they will retain for a lifetime!

The Scouts will be doing this alongside other Scouts from all over the globe, all descending onto one campsite for 12 full days of joy. There will be activities, excitement, and a different culture around every corner which our Scouts will meet with an open mind.

Five Luton Scouts from across our two districts, Falkes and Icknield, have earned the opportunity of a lifetime after they were successful in their applications to attend the event.

Naturally, this trip does not come easy, let alone cheap. Between the forty Scouts attending from Bedfordshire, they need to

raise £160,000 to attend, and the Unit is already well underway on its fundraising journey. Our five Scouts have already made a great contribution and are doing us proud, and we are certain they will continue to do so.

Our five Luton Scouts, Amy, Malachi, James, Jessie and Katy will continue to work hard to help the unit's fundraising efforts to be able to attend the event. It was a massive achievement to earn their places, and they will continue to make the town, county and country proud!

Amy is attending as one of the four leaders who will ensure the participants have the best, and safest, experience possible.

The unit can not raise this money without their local com-

munities' support. You will likely see them at, or even running events, so please do not be afraid to give your support.

You can follow their journey by following the unit's social media pages: @bedswsj on Facebook, Instagram, Twitter and Youtube. They even have a website packed with information here: <https://sites.google.com/arleseyscouts.org.uk/bedswsjorguk/home>

Our Scouts from across Luton, and the county will be truly grateful for any contribution you can make to their journey, no matter how small!

We welcome young people between the ages of 6 and 25 years old, and anyone 14+ to volunteer. Contact us to find out more! For more details about Scouting fun and adventure, see

our website at www.lutonscout.org.uk or call our hotline on 0844 414 5687.
